REQUEST FOR BIDS FOR ACER CHROMEBOOK DEVICES LOWNDES COUNTY SCHOOLS

The Lowndes County Schools System is soliciting sealed proposals for 170 Acer Chromebook Spin 512 R851TN-P4VW [NX.H99AA.003] with the Google Chrome Device Management for EDU license. For this Bid, we are soliciting bids only from vendors who are authorized to sell both Acer Chrome OS Devices and the Chrome Device Management license.

Please read the requirements for the proposal carefully.

Sealed, written bids must be received by the school system at the time and place specified. Neither dating of the proposal nor placing in mail by this date will meet requirements. Electronic submission will not be accepted. Proposals must be received on or before date and time stated. The school system reserves the right to reject any and all bids, to waive any and all formalities, and to accept the bid that in its judgment will be in the best interest of the system.

These bids will be evaluated by the Technology Department of the Lowndes County Schools. The department will make a recommendation to the superintendent as to which bid best meets the needs of our schools and which best satisfies the requirements detailed in this packet. While price is an important consideration, it will not be the sole determining factor in the selection of a solution. An established history in the education market, past satisfactory experience in the Lowndes County Schools System, positive evaluations by schools submitted as references, and comparison of the vendors' warranty/service proposals will contribute to the selection of the solution.

Questions and/or requests for additional information should be addressed to Al Rowell.
